

Aquatec Ocean Shower Commode Chair

- **German Design** - the Oceans are designed by engineers at Aquatec in Germany
- **Ease of use** - Aquatec uses high quality castors meaning the Ocean chairs can be pushed with ease, improving comfort for the carer and patient. The gas spring on the VIP is very powerful, so angle-adjustment is smooth and requires minimal effort through use of a lever
- **Unprecedented adjustability** -The chairs all have height adjustable armrests, footrests, and overall height making the chairs comfortable and safe for both patient and carer
- **High Quality Rust-proof components** - All metal parts are made of stainless steel, including the inside and outside of the gas spring on the Ocean

Key Features and Benefits

- Stable Stainless Steel Frame
- Tool-less, height-adjustable seat and footplate
- Ergonomic, flip-up armrests are also height adjustable (Allen key required - supplied)
- Washable, tension-adjustable backrest with quick-release buckles
- Ergonomically-designed seat
- Four braked castors for optimum safety
- Easy to clean with removable seat and smooth surfaces
- Full range of accessories available (NB: Transit version can be retrofitted to self-propelled model)
- Maximum weight capacity of 150Kg (with armrest width extension)
