

## INVACARE MEDLEY ERGO LOW SELECT

The Medley Ergo Low from Invacare perfectly balances of economy, functionality and quality. The optimised length of the various mattress platform sections provides increased comfort for clients when sitting up in bed. It also reduces shear and friction when the bed sections are being adjusted and prevents clients sliding downwards. The Medley Ergo Low offers all the same benefits as the Medley Ergo, but boasts extra-low height levels, thus maximising safety for individuals at risk of falling out of bed.

The Medley Ergo range boast of several mattress platform sections that offers improved comfort for clients, reduces shear and friction when the bed sections are being adjusted and prevents clients sliding downwards.
