Nimble Wire Baskets & Wall Panels

Nimble Wire Baskets & Wall Panels

Nimble has brought its design influence to the simple wire basket. Designed using fine mesh to ensure even small items can be stored, the Nimble wire baskets also include reinforced bars for extra strength, a clever divider system and a stacker that maximises space.

Designed using fine mesh to ensure even small items can be stored, the Nimble wire baskets also include reinforced bars for extra strength, a clever lever system and a stacker that maximises space. The Nimble wire baskets come in a range of sizes and are perfect for use with wire shelving systems as well as wall mount applications in nickel chrome and stainless steel.

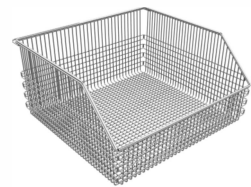

Small Wire Basket
100W x 195D x 87H mm

Medium Wire Basket
205W x 195D x 87H mm

Large Wire Basket
415W x 295D x 147H mm

Extra Large Wire Basket
415W x 395D x 207H mm

Wire Wall Panel

The wall panels have been designed to allow each unit to sit flush against each other so you can connect as many panels together as you like.

Divider

No more bent or hard to remove dividers. Ours have been designed to be easily added and removed to baskets with a simple lever system.

Stacker

Nimble's stackable baskets reduce wasted space by storing baskets on top of each other, on a desk, workstation, or shelving.

Wire Basket & Wall Panel Specifications

WIRE BASKETS

WIRE BASKETS	SIZE (W x D x H)	CODE
